96-4-28	OST-96-1179	<p>The Department approves and grants antitrust immunity to the IATA Agreement , subject, where applicable, to conditions previously imposed which increases fares from Zambia to points in the Western Hemisphere via North/Mid/South Atlantic routings and to points in the Middle East by five percent. This increase supercedes actions taken at recent IATA Tariff Coordinating Conferences regarding Zambia, and reflects the requirements of the Zambian government. Although the increase affects fares to United States points, the Department will not attach its usual conditions regarding adherence to Standard Foreign Fare Level criteria since there are not direct services offered between the United States and Zambia.</p> <p>Served 4-18-96</p>	4-12-96
